Announcements

New CONNECT Module on Assistive Technology Interventions Now Available

Meet Ms. Mary, a family child care provider, who cares for Sophie, a 2-year old girl with language and physical delays. Learn how Ms. Mary is working with Sophie's mother, Holly, and her speech therapist, Karen, to understand how to use assistive technology to help Sophie increase her access to, and participation in, everyday activities.

CONNECT Modules 3 and 4 Now Available in Spanish

- Module 3: Communication for Collaboration – Meet Shawanda, a teacher in an inclusive child care center. Shawanda works with Ashley, a speech therapist who visits her classroom once a week to provide services to David, a 4-year-old boy with language delays. Learn how Shawanda and Ashley figure out how to collaboratively address the learning goals of David.
  - View CONNECT Module 3 Spanish Version
- Module 4: Family-Professional Partnerships - Meet China, a preschool teacher at a full-day community child care and Aaron, a single father, whose 4-year-old son, little Aaron, is in China's class. Recently, China has become concerned about little Aaron. Learn how China and Aaron are developing a trusting partnership to help little Aaron.

NPDCI State Work

Jumpstart your Organizational Blogging in 3 Quick Steps
by Jonathan Green
In simple terms, blogging is a short news story with the ability for a reader to add a comment. With its conversational style, blogging has promise for Early Childhood, and yet, comparatively speaking, there are still few early childhood blogs on the internet. "Why?" That's our challenge question to you.
